People To Perform For Soldiers Sought

Claude Van Patten, dramatics instructor at Sequoia High School and Sequoia Evening School, is seeking people who would like to take part in skits to be held at an army camp in this vicinity Apr. 26.

Persons who would like to present skits of the vaudeville type — definitely humorous — are sought. Besides skits in which one or two will take part, 15-minute plays to be selected will be given during the two-hour program. All numbers have to be fast moving, Van Patten emphasized.

Anyone desiring to perform for the soldiers may contact Van Patten at the high school or at his home, 1907 Eaton Ave., San Carlos.

Frazier Hunt Starts Tri-Weekly Broadcasts

Frazier Hunt, war correspondent and author, on March 3 began a series of tri-weekly news programs over KQW at 7:45 p.m. Tuesdays, Thursdays, and Saturdays.

The series is sponsored by the Radio and Television Department of the General Electric Co. In this program, Hunt broadcasts world news in a pattern fitted into his extensive background and experience as an observer and writer. He also brings information regarding the expanding field of electronics, which is expected to have a profound effect in the post-war period.

Hunt's career began on a small paper he owned in Alexis, Ill., and extended to the New York dailies and magazines with international circulation. He went to the first World War and reported that. After the Armistice he followed the Allied expedition into Siberia, traveling a thousand miles by sled to cover the story on that frozen front. He watched the bloody inception of the Soviet Union. In Paris he obtained a secret draft copy of the Versailles peace treaty and sped with it to the United States, scoring one of the notable scoops of newspaper history.

But foreign fields were calling and soon he was off again to Europe, the Far East, Africa and Australia. He covered the bizarre defiance of the poet Gabriel D'Annunzio at Fiume and narrowly escaped the bullets of Arditi soldiers there. He first met Hitler in 1923 and was received by Mussolini in the early days of the Fascist regime. His acquaintances include Gandhi, Sun Yat-Sen, Mustafa Kemal, Gen. Douglas MacArthur, and Presidents Coolidge, Hoover, and Franklin D. Roosevelt.

MRS. ELY'S RITES HELD
SAN MATEO—Funeral services for Mrs. Grace Ely, 45, former resident of San Mateo who was killed in an automobile accident near Red Bluff Sunday, were held Wednesday at the Catholic Church in Red Bluff. For 35 years, Mrs. Ely had been a resident of San Mateo before moving to Anderson a year ago.

For the superstitious: There will be three "Fridays the 13th" this year—in February, March and November.

Wins Award by Buying Eggs

It pays to eat butter and eggs. Mrs. Helen Kurgman of San Francisco found out, when as winner of a C. Capperson & Sons award last week, she was handed a \$50 check by her grocer, C. C. Mingst of Romay's Market. Other awards for Mar. 5 totaled \$350 to 119 winners.

Burglar Suspect Captured By Man in Neighbor's Home

Alertness of Larry Asevedo of Westmoreland Ave. near the Redwood City city limits was credited today with capturing a suspect and preventing the burglary of a neighbor's home.

Asevedo told Sheriff James J. McGrath he saw an itinerant enter the home of H. F. Bagley, 2680 Westmoreland, shortly before 7 p.m. Sunday.

Asevedo armed himself with a revolver, went to the Bagley home, told the intruder to come out, and held him until Dep. Sheriff Hugh Williams arrived.

The prisoner gave his name as Morton J. Ferguson, 32, an itinerant tire repairman from Livingston, Mont. He told Williams he went to the Bagley

home for something to eat. Mrs. Bagley explained that she and her husband, a cabinet maker, had gone to a friend's home a few blocks away for dinner. She said the back door was left unlatched because they expected visitors from Oakland. They returned home to find nothing missing but things moved around during their absence.

NAVY TAKES AIRPORT
WASHINGTON (AP)—The navy has issued an order taking over the Goleta, Calif., Airport near Ellwood oil fields shelled by an enemy submarine Feb. 23, Representative Elliott (D., Calif.) said.

Toastmasters Aid Defense Bond Sales

Nearly every member of Redwood City Toastmasters Club declared himself ready Monday to make short talks to help sell defense securities. E. Floyd Elson, a member of the club, has been appointed to be in charge of the speakers' bureau for the Redwood City Defense Savings Committee.

Under chairmanship of W. Earl Whitaker, the following speakers were heard last night: Ralph Canete on "I'm Confused," in which he advocated a strong offense in warfare; Rudy Kalenborn, "Time to Do Things"; Dan Connor, "Will It Win the War?"; Guido Brandolini, "Hitler Is a Piker"; Fred A. Schmitz, "How We Will Take the Offensive in This War." The talks were indicative of the serious attitude now taken by Americans toward the war.

Critic George Peavey returned to the club after a five-week absence due to illness.

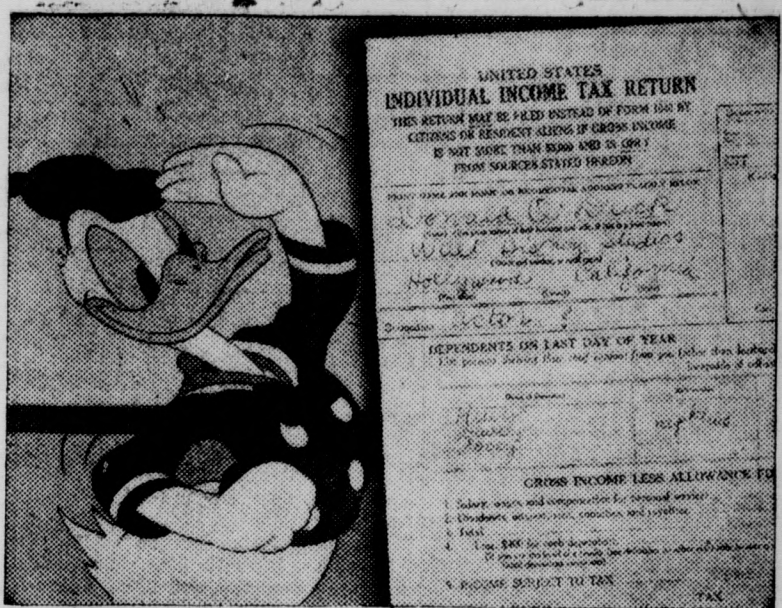

AWARDED \$4000 MONTHLY

Superior Judge A. R. Cotton Tuesday awarded Mrs. Josephine Goldstone of Hillsborough an allowance of \$4000 a month from her late husband's estate. The estate, valued at approximately a million dollars, was left by Josephine G. Goldstone, clothing merchant and manufacturer, largely in trust for his widow. He died Feb. 17.

MEETING POSTPONED

Meeting of the Redwood Highlands Improvement Association, which was scheduled for Monday night, has been postponed until next Monday night at 8 o'clock.

SALUTE TO THE NEW SPIRIT

It's military history in the making! Yessir, when tabasco-tempered Donald Duck gives with a snappy salute to an income tax blank, that's news! Donald's all set for Mar. 15 and is paying tribute to the new spirit of American patriotism, which recognizes that our taxes will make planes, guns, ships and tanks to scuttle the Axis!

Dr. Gans Takes Over Task of Aiding Aliens

On orders of the State Department of Social Welfare, Dr. C. C. Gans, county health and welfare director, has taken over the task of aiding enemy aliens in evacuation problems. His duty, he said, will be to give service and assistance to those enemy aliens and their dependents who require it.

The cost of such aid is to be borne by the federal government. Dr. Gans anticipated no additional expense to the county. He said three information centers have been opened to enemy

aliens: 7375 Mission St. in Daly City, 248 Lorton Ave., Burlingame and the courthouse in Redwood City. Bulletins will be issued as information is received from state and federal authorities.

84 YEARS OF SERVICE TO HOMES AND INDUSTRY
Johns-Manville Journal JM

Stop Spies and Saboteurs

Spying and sabotage are not something that happen only in movies. They are not something that happen only in Europe.

They can happen in America. They happened in America in the other World War. They have already happened in America in this war.

They can happen in a Johns-Manville plant, where a lot of war work is being done. They can happen anywhere.

The spy or saboteur, when he comes, will not be wearing false whiskers and carrying a bomb. He will look like any other normal, innocent worker.

Every loyal, patriotic worker in Johns-Manville plants and offices has been urged to watch out for these enemy agents.

J-M jobholders have been advised to keep their eyes and ears open.

It is a fact that anyone who looks queer, such as strangers snooping around, they are urged to report it at once.

This is War, and an alert report on anything suspicious is not "squealing." It must not be forgotten that one spy or saboteur can do more damage than a regiment of Jap or Nazi soldiers.

Every true American should help guard his country, his plant and his very job against spying and sabotage.

J-M FAMILY ALBUM

Your Flag and My Flag—American flags prominently displayed in many departments of Johns-Manville plants and offices throughout the United States reveal the will of J-M jobholders to work and to win this war. Many of the flags have been paid for by the jobholders themselves. The flag above is displayed in the Asbestos Wood Department at J-M's Waukegan, Ill., plant.

\$749 Taxes

Per Employee

Provisions for J-M's total taxes — federal, state, local and foreign — in 1941 amounted to \$12,366,274. This is the equivalent of \$749 per jobholder.

J-M's total taxes in 1940 were the equivalent of \$387 per jobholder. There were 12,000 jobholders in 1940 and 16,500 at the peak in 1941.

Biggest Crisis Nation Faces

America is now facing its greatest crisis. Lewis H. Brown, president of Johns-Manville Corporation, declared recently in an address at the mid-year commencement exercises of Temple University, at Philadelphia.

Discussing the war between dictatorship and democracy, Mr. Brown said:

"We have been attacked by two nations that for years have used peace merely as a preparator for war. They intend to be dictators not of countries, but of continents. It is a basic conflict between two philosophies of life between two systems of economics, between two forms of government.

"Dictatorship is always more effective in war because it prepares for war long in advance while Democracy through lack of preparation, usually loses most of its battles except the last one. And so it will be now. We will probably lose many battles before we win this war. It may take us four years or more, but in the end we shall surely win."

Mr. Brown said that after the war we must demonstrate that "The American Way is workable and can provide more than any other system."

SUMMONS
Action No. 33620—Dept. No. 2

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

CALIFORNIA PACIFIC TITLE AND TRUST COMPANY, a corporation, plaintiff, vs. All persons claiming any interest in, or lien upon, the real property herein described or any part thereof, defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA:

To all persons claiming any interest in, or lien upon, the real property described or any part thereof, defendants, greeting:

You are hereby notified to appear and answer the complaint of California Pacific Title and Trust Company, a corporation, plaintiff, filed with the Clerk of the above-entitled Court and County, within three months after the first publication of this summons, and to set forth what interest or lien, if any, you have in or upon that certain real property or any part thereof, situated in the City of San Carlos, County of San Mateo, State of California, particularly described as follows:

Portion of Lot 2 in Block 18, as designated on the map entitled "SAN CARLOS SAN MATEO CO. CAL.", which map was filed in the office of the Recorder of the County of San Mateo, State of California, on September 4, 1888, in Book "B" of Maps, at page 19, and a copy entered in Book 1 of Maps, at page 76, more particularly described as:

BEGINNING at a point on the southwesterly line of Laurel Street, one hundred seventy-five (175) feet northwesterly from the intersection of the southwesterly line of Laurel Street with the northwesterly line of Cypress Avenue, as said Street and Avenue appear on the map above mentioned; thence along the southwesterly line of Laurel Street, northwesterly twenty-five (25) feet; thence leaving said southwesterly line of Laurel Street and running southwesterly and parallel with the northwesterly line of Cypress Avenue, one hundred five (105) feet; thence southeasterly and parallel with the southwesterly line of Laurel Street twenty-five (25) feet; thence northeasterly and parallel with the northwesterly line of Cypress Avenue one hundred five (105) feet to the point of beginning.

And you are hereby notified that, unless you so appear and answer, the plaintiff will apply to the Court for the relief demanded in the complaint, to-wit: That it be adjudged that the plaintiff is the owner of said property in fee simple absolute; that the title to said property be established and quieted; that the Court ascertain and determine all estates, rights, titles, interests and claims in and to said property, and every part thereof, whether the same be legal or equitable, present or future, vested or contingent, and whether the same consists of mortgages or lien of any description; that plaintiff recover the costs herein and have such other and further relief as may be met in the premises.

WITNESS my hand and the seal of this Court.
Dated December 30, 1941.
(SEAL)

W. H. AUGUSTUS, Clerk.
By TILLIE CHIOLERO, Deputy Clerk.

MEMORANDUM
The first publication of this Summons was made in Peninsula Beacon newspaper on the 9th day of January, A. D. 1942.

The following persons are said to claim an interest in, or lien upon, said property adverse to plaintiff:

Henrietta Fleming, address unknown.
Arthur Fleming, address unknown.
I. KARMEL, Attorney for Plaintiff, Humboldt Bank Bldg., 785 Market Street, San Francisco, Calif.

Published in Peninsula Beacon Jan. 9, 16, 23, 30; Feb. 6, 13, 20, 27; Mar. 6, 13, 1942.

Redwood City Woman's Father Passes Away

Funeral services were held Tuesday at Gantner-Felder-Kenny Chapel, San Francisco, followed by requiem mass at 9:30 a.m., at St. Philip's Church, for Harry Gorman, 68, of San Francisco, deputy state labor commissioner and father of Mrs. Alfred D. Severance of Redwood City.

He died at a San Mateo hospital yesterday after a long illness. His wife, Elizabeth, and two step-sons, Frank and James Dunn, also survive. Interment will be in Holy Cross Cemetery, Colma.

The San Francisco Elks lodge will hold services for Mr. Gorman tonight at 8 at the funeral home.

MENLO PARK NEWS

BY D. E. O'KEEFE

MENLO PARK—An apartment house is planned for Pine St. and work will start in May. It will cost \$6000. A local capitalist is making the investment. There is a big demand for such houses at present.

Two pieces of property were sold this week in Felton Gables to eastern buyers who intend to erect homes there this Summer. This section of Menlo Park is the fastest-growing section in the community.

The Golden Jubilee of Rev. Mother Mary of the Rosary of Corpus Christi Monastery was observed by a solemn high mass in the chapel of the institution Saturday morning. Celebrant of the mass was Rev. Father Blank, provincial of the Dominican Order, assisted by Fathers Kelly and Curran. Archbishop Mitty delivered the eulogy, paying a high tribute to the jubilarian for her splendid service to her order and to religion. The edifice was crowded with friends and admirers of the good woman who has done so much for religion and humanity. The Rev. Mother entered the order 50 years ago at Syracuse, N. Y.

Harry Jackson, wife and three pretty daughters are here from Dayton, O., to make Menlo Park their permanent home. Mr. Jackson is an executive of one of the big shipyards in San Francisco.

Because of the rapidly-increasing population, it is said that two more mail carriers and two clerks are to be added to the post office force. It is believed there are enough names on the eligible list to fill the places.

Because of the war there will be no St. Patrick's Day celebration in Menlo Park on Mar. 17. For many years the day was observed by local sons of Erin in

an entertainment at the Hall of the Nativity. These occasions were enjoyable, bringing out all natives of the Old Sod.

Considerable interest is being shown in the municipal election that takes place Apr. 14. There are three places to be filled on the board of trustees and there are five candidates: Henry Carroll, incumbent, William F. Cutter and Charles Oram. A full vote is certain to be brought out, for all contestants are working hard to win. No salary is attached to the positions; all candidates desire to give their time and service for the good of the community.

Sales Record Made As 65 Bikes Sold

What was doubtless an all-time sales record for a local store was set Monday at Montgomery Ward & Co.'s in Redwood City.

Manager Bruce M. Knox reported that a total of 65 bicycles was sold during the day, nearly cleaning out a shipment that had arrived early Monday—earlier in the week than had been expected.

Word quickly spread around town that Ward's had received the fully-equipped bicycles which were being offered at no increase in price, and shortly a line had formed of purchasers for the vehicles.

Not particular what color they got or even about price, purchasers grabbed the bicycles as if their lives depended on them. Two men were kept busy assembling the bicycles, which have suddenly become popular because of the tire shortage. One salesgirl made her entire week's quota in the one day.

Knox said that other shipments were expected but that it was likely the next would be of bicycles without such accessories as lights and carriers.

Bandit Pair Beat and Rob Belmont Man

Charles Maltes, 64-year-old Belmont restaurant owner, was robbed and severely beaten by two young men who entered his cafe Sunday and ordered a dinner. They took between \$15 and \$20, leaving Maltes bleeding and unconscious on the floor.

When he recovered consciousness he crawled to the telephone and called Belmont Police Chief Fred A. Johnson, who sent him to Community Hospital.

He told police Monday that the two men, one dark and tall and the other short and light complexioned, came into his restaurant, the Golden State on El Camino Real, at 9 p.m. They ordered a dinner, he said, and after finishing their soup and a cup of coffee, held him up.

The taller of the two, Maltes said, drew a revolver and told him, "Stick 'em up, we want your money!" "Are you fooling? I've got nothing," answered Maltes. "You have. You've got plenty," said the tall man, at the same time striking him with the butt of the weapon. As Maltes fell he heard the cash register ring, turned his head and saw the shorter man scooping out the money. Then the tall man struck him again and he lost consciousness.

The thugs failed to search Maltes' blood-soaked clothes and missed between \$20 and \$30 in his wallet.

Chief Johnson said Maltes has been in business in Belmont for about 15 years, and lived alone in the rear of his restaurant.

San Carlos Marine Promoted

Capt. William V. Harris (left), well-known locally, is all smiles here as Col. Earl C. Long congratulates him on his recent promotion at Marine Corps Headquarters in San Francisco. Harris, who lives in San Carlos, was chief quartermaster clerk at headquarters prior to his recent promotion. The newly-named captain has had a colorful career with Uncle Sam's leathernecks, seeing service at many of the stations in the now battle-scarred Pacific.

'Bill' Werder To Head R.C. Program

Appointment of City Councilman William M. (Bill) Werder as local chairman of the "Salvage for Victory" program shortly to be launched throughout the state was announced here by Mayor Harold F. Anderson.

Named to the same position for San Mateo County as a whole was Theodore M. Lillenthal of Hillsborough. He was appointed by E. P. Wilsey, chairman of the county defense council. Robert A. Higgins of Burlingame heads the campaign for Burlingame, Hillsborough and San Mateo. Judge Edward P. Murphy is state chairman; Harold Brayton is executive secretary.

According to Brayton, salvage material will be a vital factor in winning the war. "It has been estimated," he wrote Mayor Anderson, "that California alone can yield some \$200,000,000 worth of waste materials."

Particularly desired are:

1. Scrap metal, which can be used to make the steel, brass, copper, lead, and other metals for guns, planes, tanks and ships.

2. Waste paper, which is used in making new paperboard to

Woodside Is Bailed In Getting Fire Truck

WOODSIDE — Woodside Fire Department is looking with apprehension to the approach of Summer with its new \$5000 fire truck tied up by priority restrictions at the manufacturer's plant in Oakdale. The truck, ordered Sept. 29, was completed three weeks ago, according to Fire Chief John Volpiano. It is needed to replace an obsolete light truck used for fighting grass and brush fires, he said.

The equipment includes a 280-gallon tank, 200-gallon-per-minute pump, spray nozzles, and other special devices.

ship munitions, clothing and food for America's fighting men at home and overseas.

3. Old rubber, used for making new rubber for motorized forces — planes, tanks, battleships — and for essential civilian needs.

4. Old rags, which make needed materials for emergency buildings, wiping rags for war industries, and reworked textiles.

At present citizens are urged to save all these items. Plans will be announced shortly for their collection.

It was pointed out that the Salvage for Victory program does not want anything still being used or which would have to be replaced.

Zuckerman Wins Stay

Maurice Zuckerman, wealthy agriculturist who killed a brother of a Redwood City woman and thereby led to her death later from shock and heart trouble, escaped immediate sentence to San Quentin Tuesday when the Third District Court of Appeals in Sacramento issued a writ for a stay of execution in his manslaughter conviction. Zuckerman was sentenced on Monday to serve a five- to ten-year term in the state prison for the slaying of Otto Dander.

Mr. Dander, a Stockton utility expert and Legionnaire, was the brother of Mrs. Ernest Miller of Redwood City, operator with her husband of a stationery store on Broadway. She passed away in Stockton a few days after the death of Mr. Dander from a

They Used To Hang Hoss Thieves— How About This?

With rubber more precious than gold, any automobile driver can sympathize with J. B. Wolfenbarger of 3021 Middlefield Rd., North Fair Oaks.

He parked his car in the driveway of his home Saturday night.

When he next saw it at 11 a.m. Sunday the four tires on the wheels and two spares had each been slashed with a knife.

Sheriff James J. McGrath, who is investigating, said Wolfenbarger suspects a n acquaintance with whom he has had trouble.

What penalty would you suggest, dear reader?

wound inflicted by Zuckerman in a cocktail room fight.

GREYHOUND

Francis M. Boulware Is Taken by Death

Following a two weeks' illness, Francis McPherson Boulware of 11 Birch St., a resident of Redwood City for the past 24 years, passed away Monday afternoon at Palo Alto Hospital.

Mr. Boulware was the father of Miss Rosamond Grace Boulware, a teacher at Central School in Redwood City; Miss Lucile Virginia Boulware, a Menlo Park teacher, and of William Francis

Boulware of San Mateo. He also leaves his wife, Mrs. Susie J. Boulware, and a sister, Mrs. Charles Cooley of Palo Alto. He was 73 years of age.

Mr. Boulware was an employee of the Pacific Gas and Electric Co. until his retirement five years ago.

He belonged to Buckeye Camp 563, Woodmen of the World.

March of Dimes Brings in \$4200

T. J. Hallinan of Hillsborough, chairman of the "March of Dimes" campaign in San Mateo County for the infantile paralysis fund, announced here that about \$4200 had been received to date, exclusive of theater contributions.

There are four towns named Kansas in the United States.

Lottery Set For Mar. 17

The third registration for the Redwood City-San Carlos-Belmont Selective Service Board 106 disclosed a total of 2120 registrants in the lottery of "serial numbers" Monday at the board's headquarters on Marshall St.

The five members of the board shuffled the cards of those who registered on Feb. 14, 15 and 16, selected the cards at random and stamped serial numbers on them.

The top 10, ages and addresses, were as follows:

1. Proctor A. Heffington, 41, Hillside Rd., Redwood City.
2. Frank B. Osorio, 41, 57 Ebnor St., Redwood City.
3. Adolph Bowman, 40, 321 Palomar Dr., Redwood City.
4. Joseph H. Ronner, 39, Belmont Ave., Redwood City.
5. Bert K. Foster, 41, 714 Hurlingame Ave., Redwood City.
6. Lee Kennedy, 39, 2104 Jefferson, Redwood City.
7. Gerald J. Conlon, 39, 640 Clinton St., Redwood City.
8. Robert M. Willday, 42, Canyon Rd., Redwood City.
9. Anthony A. Cataldo, 41, Oak and Howard, Redwood City.
10. Marcelino A. Calacal, 39, Belmont.

Three members of the Selective Service Board, 106, also drew their numbers. Jack Poole came up with 153, Pat Frayne with 193 and Chairman Patrick J. Kearns with 1215.

Judge Edward I. McAuliffe, first chairman and former member of the board, drew 1710.

On Mar. 17, the grand lottery in Washington, will pull out the "order numbers" which determines the order of receiving questionnaires and induction.

Defense, First Aid Film Showing Set

Corp. James Lindsay Wilson Post 2310, VFW, and the Redwood City Women's Motor Transportation Corps have announced joint sponsorship of a civilian defense motion picture showing at Sequoia High School Monday at 8 p.m.

Films to be shown will depict first aid work and methods of fighting incendiary bombs. The films will be shown in about one hour and the public is invited, it was announced.

\$2000 Sought Here, \$15,000 In County for Blood Bank

A campaign of preparedness to make it possible to save lives if bombs start dropping in quantities on San Mateo County was planned Tuesday when some 50 Peninsula met at San Mateo to devise means of raising money for the proposed blood bank.

Louis C. Christensen, Redwood City councilman, was named as a captain to seek to raise \$2000 in Redwood City toward the \$15,000 needed to establish the blood bank. With P. N. Thompson, member of the county committee, and others, he will meet Friday at 3:30 p.m. in the First National Bank to plan the local drive. In the meantime contributions may be left at any bank or at the Tribune office.

Each of 20 areas in the county will conduct a campaign for funds. Detailed plans will be announced shortly.

Minimum preparedness requirements for the county are 1000 pints of blood plasma held in refrigeration and placed in strategic locations at casualty stations over the Peninsula. At present, it was pointed out, there is only enough such plasma available to give 12 transfusions simultaneously.

A thousand donors of blood will be sought, each giving one pint.

The high cost of the blood bank is because of the expensive equipment needed to process and preserve blood.

Dr. Carl Hoag and Dr. James F. Rinehart explained the needs for a blood bank, and motion pictures were shown depicting the

methods of transfusion and steps in acquiring blood plasma for emergency storage.

That there may be need for 1000 pints or even more in event of a bombing here was pointed out by speakers, who cited the fact that after the attack on Pearl Harbor Dec. 7, Honolulu's blood supply of 250 units was depleted in a few hours.

Also planned in the campaign is the typing of each individual in the county and the issuing to him of a card telling what his type is so that no delay would be met in treating him if he were injured. Citizens who are wearing or acquiring identification tags are urged to have the blood type listed on the tag.

Blood typing, for which a \$2.50 fee is usually charged, has been made available free on Saturday mornings at Mills, Community and South San Francisco Hospitals.

The San Mateo County Blood Bank is sponsored by the Central Labor Council and the San Mateo County Medical Society. Each has contributed \$500, as has the county teachers' association. Other contributors include Soroptimist Club, San Mateo, \$100; Arthur King of Hillsborough, \$500; American Association of University Women, \$50; pupils of Turnbull School's eighth grade, \$20.

Evidence of Jap War Aims In 1940 Recalled to Club

Attitude of Japs toward white men which was evident when he was in the Orient evacuating Americans in 1940 convinced Harley Pippin of San Francisco, assistant passenger manager for Matson Steamship Co., that Japan had long planned war on the United States, he told the Exchange Club Tuesday.

His talk, which preceded the showing of motion pictures of scenes taken at the time in Yokohama, was one of three brief ones given at the meeting, at which it was announced that next Tuesday evening wives of members would be guests at a St. Patrick's Day party.

Pippin said he saw 30 ships unloading scrap iron in Yokohama, and that in general he could feel an animosity, not necessarily toward Americans, but toward all white men. He told of a remark made by the head doctor at Kobe to the ship doctor aboard the liner Monterey when it was anchored at that port.

"I'd like to take you into town and show you around Kobe," he quoted the Japanese physician as saying, "but I can't for I'm a member of the army and my country and your country are enemies."

"And this was 15 months before Pearl Harbor!" Pippin added.

U. S. Simonds Jr. of Burlingame, an official of the Carpenters Union, told of plans being made for a blood bank and explained that there were three separate but related movements now under way:

1. Purchase of equipment, already done by organized labor, to permit mass blood transfusions.

2. The raising of \$15,000 to establish a blood bank where blood and blood plasma may be stored for future use.

3. The taking of blood from citizens by mobile Red Cross units to be made into plasma for use of armed forces. This will be done after Apr. 1.

Club Member James M. Eva, reviewing achievements of the club-sponsored Sequoia Vocational Placement Service, said that while its main task was no longer finding jobs for youth, but was just the opposite, he believed its importance was just as vital as ever. One of his big tasks now, Eva said, was seeking to determine if certain students upon graduation should enter an armed service or a war industry, and which branch of either he should go into.

WOODSIDE GETS ITS TRUCK

WOODSIDE — Woodside Fire Department received its new \$5000 fire truck at 1 p.m. today after weeks of delay due to federal priorities. Fire Chief John Volpiano said the equipment

would be tested within a day or two and placed in service. It is especially designed to combat grass and brush fires, carries a 280-gallon tank and 200-gallon pump.

T. B. Patient Sues For Divorce Here

In a divorce suit filed in superior court here a county patient charged that his wife was going out with other men while he was confined to Canyon Sanatorium with tuberculosis.

The husband, Sebastiano Basso, said his wife, Mary, had been familiar with another man, had failed to care properly for 11-year-old Miriam Basso, and had threatened to dispose of a home at 832 Tenth Ave., Redwood City, \$1500 in furniture, two automobiles and a photo shop at 261 B St., San Mateo, operated by the wife.

Basso asked for a reasonable amount of alimony pending his recovery from tuberculosis. He asked the court to dispose of the community property and to grant custody of his daughter to his sister, Mrs. John Greco.

Lars P. M. Hansen, Former R. C. Man, Dies

Lars P. M. Hansen of 727 Middlefield Rd. Palo Alto, a former Redwood City resident, died Sunday in San Mateo.

Mr. Hansen, who was born 57 years ago in Denmark, went to Palo Alto 14 months ago from Redwood City, his home for 15 years, to be with his daughter, Mabel A. Pettit. He was the husband of the late Mrs. Anna Maude Hansen and father of Mrs. Pettit and Mrs. Fern McKinley of Pomona.

War Fund Shows

Policy on Red Cross Benefits Explained

Many organizations and individuals, moved by generous impulses, arrange entertainments and other public performances and publicize them as "Red Cross benefits" without consulting the Redwood City Chapter as to the regulations governing such fund raising efforts, War Relief Fund Chairman J. D. Hedge stated today.

"While the chapter is appreciative of this volunteer effort, I must call attention to the fact that such benefits using the name of the Red Cross must not be undertaken without previous clearance with the proper chapter officials," Chairman Hedge stated.

"An act of Congress protecting the Red Cross name and emblem and defining their use makes this requirement by the chapter obligatory. These legal restrictions are equally a protection to all contributors, as well as to the Red Cross chapters."

Chairman Hedge said the policy may be summarized as follows:

Benefits may not be undertaken in the name of the Red Cross without prior approval of the chapter, or the national organization, if it is nationwide.

Benefits will not be approved unless gross receipts are contributed to the Red Cross.

Benefits may not use the emblem or name of the Red Cross where part or all of the expenses are deducted from the proceeds.

This does not preclude the acceptance of contributions by the Red Cross from benefits which have been carried on independently of the Red Cross and which do not use the Red Cross name and symbol in their promotion.

(The Foresters' dance Apr. 7, described in the adjacent column, fully meets all requirements of the Red Cross as stated above.)

NEW FIRE TRUCK IN USE

MENLO PARK—Menlo Park's new \$10,000 fire truck was in service today at the headquarters station after first being tested by the Board of Fire Underwriters of the Pacific.

Red Cross Dance

Tickets Out Soon Here

Chairman H. C. Mitchell reported today that tickets will be available next week for the gala Red Cross Ball to be given Tuesday, Apr. 7, under sponsorship of the Foresters of America at Foresters Hall in Redwood City. The entire proceeds will be turned over to the Redwood City War Relief Fund for the American Red Cross.

Locations where tickets may be purchased will be announced shortly. Food and drink concessions will turn over the proceeds of their booths to the Red Cross also.

Don Armando's orchestra is contributing its share by furnishing the music for the dance, which is anticipated to be one of the largest ever staged for a Red Cross benefit in Redwood City. Printing of window cards and tickets is being done without charge by Standard Printing Co. Frank Prattl is giving the use of his public address equipment.

The committee is planning special acts or entertainment during the evening. The dance will be from 9 p.m. to 1 a.m. Guests of honor, including local civic and Red Cross officials and military representatives, will be announced later.

Assisting Mitchell on the Foresters committee are George L. Solari, Albert F. Bullivant, John P. Clarkin, George W. Clarkson Jr., Louis F. Rolla, Glen Van Buskirk, Frank H. Goldthwaite and Albert P. Jordan.

In 1917 there were only 326,000 trucks on U.S. highways; today there are about 5,000,000.

Safeway for CORNED BEEF & CABBAGE...

Corned Beef

Safeway's is a very special kind of corned beef, superlatively mild in flavor, especially tender and it requires no parboiling. This is because we select only top quality prime steer beef. Safeway's Corned Beef is guaranteed to please you 100% . . . or your money back.

An easy way to cook Safeway Corned Beef
Place meat in pot with plenty of water so meat is well covered. Add one onion, some bayleaf and bring to boiling point. Turn fire low and simmer until tender. (Figure 25 minutes to a pound.)

M-m-m-m

Enjoy the mouth-watering thrill of Safeway's special kind of "Corned Beef and Cabbage" this week-end and again for the traditional St. Patrick's Day feast.

CABBAGE

by the pound

Cabbage doesn't come in uniform sizes. No need to pay the price of a large head if you only want a medium size head. Buy it by the pound at Safeway and be assured of getting your money's worth. This week it's wonderfully sweet, crisp and tender, too. And remember... it must please you, as all other Safeway produce, or you can get your money back in full.

Busy Hands... Busy Eyes
Now Need, More Than Ever

BETTER LIGHT for BETTER SIGHT

These are homey days, with the family auto restricted in use. There is fun and home-made relaxation within the family circle. Isn't it true in your household?

Consider this new appreciation of home that has come to all of us. Care and repair of clothes and the knitting of socks and sweaters keep needles flying in agile fingers. Good old games come into use or books set aside for future reading take on new interest. Truly hands and eyes are busy these days.

How easily we read or work or play depends on how easily eyes see to do these things. Just how easily we see depends greatly on the light by which eyes work. Conserve eyesight by Better Light for Better Sight. Equip your home with modern lamps and lighting fixtures. It is easy to do and costs very little.

Penny Pine Project

Students Aid in Replacing Lumber Used During Crisis

FROM SPORTSMAN'S SCRAPBOOK

The successful conclusion of the Penny Pine Project sponsored by the pupils of the San Mateo County schools will help replace the trees used for lumber during our national crisis.

Guardians of the public forests plan a billion board feet production of lumber for war needs this year according to federal officials.

Out of the forests owned by you and me and all the citizens of this democracy will come an added 200,000 board feet of lumber during 1942 to build the barracks, planes, ships and yes, help make explosives needed for war time production.

BILLION BOARD FEET

Total output expected will exceed one billion board feet. Foresters are faced with a big lumbering job because more than half of all the lumber the public forests can produce this year must go directly into war channels.

In addition to increasing actual forest production, the land-use experts are stimulating Indian sawmills to increase production of important forest products essential to the war effort. Surveys are under way to locate new stands of scarce wood species.

Mrs. Ruth G. Risdon Dies in Hospital

Mrs. Ruth G. Risdon, 33, wife of LeRoy O. Risdon of Redwood City and daughter of Prof. and Mrs. J. W. Gregg of Berkeley, died Wednesday at Mills Memorial Hospital, San Mateo, where she had been confined 10 days. The Risdon home is at 204 Lincoln Ave.

Mrs. Risdon was the mother of Jacqueline and John Risdon. Funeral services will be conducted at 10:30 a.m. Friday from the Niehaus Chapel, 2840 Grove St., Berkeley, followed by entombment at Sunset View Mausoleum.

M. P. SUIT IN COURT MAR. 16

Trial of quo warranto proceedings brought by Cecil Baxter in an effort to oust Capt. Hugo May from the Menlo Park City Council will be tried before Judge Maxwell McNutt Mar. 16. The trial date was fixed by the court.

The war program of the U. S. Department of Interior is not only to increase to a billion board feet for 1942, but a billion and a quarter in 1943.

It perhaps sounds a little far fetched to say a copper in a school room Penny Pine container will help to win the war, but it will. Obviously it isn't the one penny, but the combined accumulation of them that will contribute 40 acres of new timber to be logged off or burnt over land.

The precedent established by the pupils of San Mateo County is perhaps as important as their actual contribution. What one does, others follow.

SETS PRECEDENT

San Mateo County is one of the smallest in the state. It is anticipated that next year this Penny Pine promotion project through the public schools will spread to other counties.

In the United States we have less than one-fourth of the original stand of virgin timber of the kind that was here when the country was settled. As a result of destructive cutting and fires, between 75 and 80 million acres of timber growing land are idle.

To meet the real requirements of our people for forest products with a margin of safety, and omitting the lumber for war production, timber growth should be nearly double.

The results of the ballot, the count of the tin can copper vote, will indicate the willingness of the young Americans to help their state in this all-out war to win it quickly and simultaneously plant the forests of the future.

Construction Workers Are Sought by Navy

The U. S. Navy has opened enlistments for qualified men with construction experience in ratings which parallel the trades and technical qualifications of their civilian occupations.

Men between 17 and 50 who qualify will be assigned to duty in regiments being organized for construction of naval bases outside continental United States.

Further information can be obtained at the local recruiting station, Court House, Redwood City.

News of the YMCA in Redwood City

The Redwood City YMCA Committee of Management will hold its regular monthly meeting today at the Redwood City Methodist Church. This was the first meeting under the new chairman, James M. Eva. The greater portion of the meeting was to consider personal problems created by the resignation of Merlin C. Donaldson, who leaves Mar. 15 to become pastor of the First Baptist Church at Red Bluff. Other discussion will be in regard to a program for the Redwood City area during the remainder of the year.

The first YMCA Pow Wow of this year is being planned for Saturday at Belmont Elementary School, with Belmont Friendly Indian Club, under leadership of Bryon Evans, as host club. Several Redwood City and Menlo Park Clubs plan to participate. Plans call for a demonstration of the Indian ritual and specialty Indian dances consisting of the dances of the buffalo robe, the hoop dances, the buffalo dances, and the Indian hunters on the trail. A number of novelty races and games are also on the program, as are a series of competitions between the Indian runners of the various tribes and Indian wrestling.

PURITY Meat Just Can't Be Beat!

FINEST FOR TENDERNESS

FINEST FOR FLAVOR

FINEST FOR EVERY MEAL EVERY DAY

Priced Low, Too!

Our own full-time experts select Purity beef from hundreds of top-quality young steers. That's one reason why Purity Meats just can't be beat for tenderness and flavor. Take a Purity Pot Roast, for instance. Here's a low-priced roast—yet it's cut from Purity's regular high-quality, tender steer beef. We know you'll like it. In fact, every single pound of beef, pork, lamb or veal you buy is guaranteed to satisfy you—or your money back!

Here's why Purity Meats are GUARANTEED for tenderness and flavor

1-Selected from top grade meats. 2-Properly handled for tenderness, flavor. 3-Continuous, scientific refrigeration. 4-Prepared and sold under sanitary conditions with modern equipment.

New System Permits Enlistments, Furloughs

MOFFETT FIELD — Two men enlisted in the army at Moffett Field yesterday. Today they are on their way home on furlough. The two men, Richard Senter of Calistoga and William Callison of Palouse, Wash., were the first to be enlisted in the air corps at Moffett Field under a new recruiting set-up inaugurated recently by the army.

The new program provides that men enlisting as aviation cadets in the Army Air Corps be sworn in, placed on the payroll as privates, and sent home on furlough until called for flight training. Senter and Callison, the first Moffett men to fall under the new set-up, will enjoy 44-day furloughs before beginning flight instruction.
